Summer Term 1

Dear Parents and Carers,

I hope you are all very well.

First of all, I'd like to extend a very warm welcome to our new Arise families. We are very excited to say we've had 2 new students join us this past week and they've been settling in well so far!

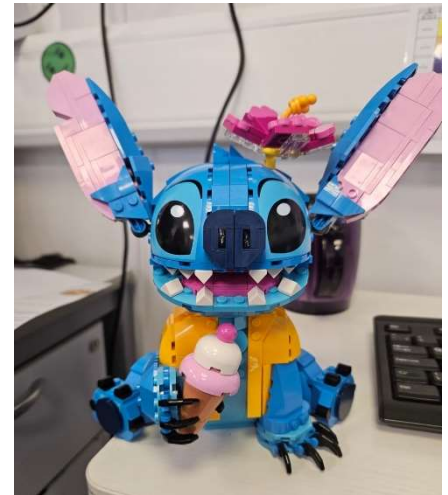

This term, students had the opportunity to go to Brick Lane and The Art of the Brick, London! This allowed students to immerse themselves in the creative world that Lego has to offer! While simultaneously getting a chance to experience different cultures at Brick Lane. It was a beautiful

day out that showed them their creative side and what they can achieve with Lego! Students then took it upon themselves as part of our Horizon Blocks intervention to make unique sculptures at school like the Stitch you see to the right!

Last week we also celebrated 'Wear it Green Day' for Mental Health Week 13th-19th of May. During this week, we encouraged students to take additional

movement breaks to decrease stress and help them regulate! This in turn, helped decrease feelings of frustration and aggression and supported their

mental health! We are excited to continue this growth with them as we know just how crucial one's mental health is.

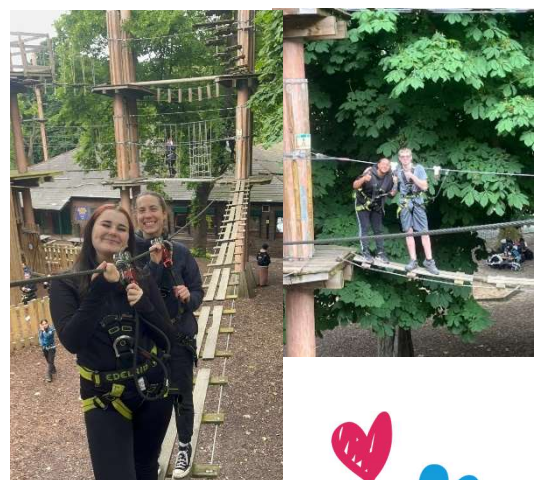

In terms of learning and subject development, it has also been a good term! With continued focus on student integration and how to work well with one another, we truly feel as though the students are learning valuable lessons that they can use practically outside of school.

Students have also engaged in several different lessons from Hospitality and Catering to Maths and Science! They've demonstrated various skills such as shopping on a budget, effectively using microscopes, and working with multiples, factors, and primes.

After all their hard work this term, students were rewarded by going to Go Ape where they showed their sense of adventure by going treetop trekking and ziplining! It was a fun filled day and even the sun came out in the afternoon! We are happy we got to experience this with our young adults and even more excited for the adventures next term!

We hope you have a wonderful half term and look forward to hearing all about your adventures when you return!

May 2024 |

Summer Term 2

We are delighted to have the amazing staff and students we have on-site and are happy to see familiar faces returning in Summer Term 2!

We will also be welcoming...

Marie Acheampong - Humanities Teacher

Juan Luis Ruiz De Souza - Teaching Assistant

Along with more new students!
